

CELEBRATING THEIR 110TH ANNIVERSARY

The San José Day Nursery is located in the heart of downtown San José, has provided high-quality early childhood education for generations. Their unique funding model supports:

- $\frac{1}{3}$ of their students through government funding
- $\frac{1}{3}$ through fundraising and generous donors
- $\frac{1}{3}$ through full tuition-paying families

This approach allows children who might otherwise miss out on early education to develop the social, emotional, and academic skills necessary for lifelong success.

The Willow Glen Home Tour is the Nursery's largest annual fundraiser. The proceeds from this event cover tuition gaps for dozens of children who would be unable to receive the high-quality early education that is provided.

On behalf of everyone involved, both volunteers and staff, **Thank You** for your participation and support. The Nursery's Board and staff invite you to come visit, come see for yourself the wonder that is created each-and-every day!

42nd Annual Willow Glen Home Tour Saturday May 2nd & Sunday May 3rd, 2026
